

MSC Long Range Shooters FUN Fundraiser

MSC long range shooters fundraiser will raise money towards purchase of a 20 foot conex box to store electronic targets in at the 1K zero berm parking area. The parking area is no longer utilized because no one needs to be in the pits while shooting is taking place. **Contest starts May 2nd, 8 AM at 1K shaded shooting pad.**

- *****A MODIFIED HIT FACTOR** scoring system will be used to score the contest. **This Balances speed and accuracy:** Going faster is rewarded, but only if accuracy doesn't suffer significantly.
- The **FIRST STAGE** is the only event where time is part of the score. The target is the 1000 yard e-targets and the raw score will be divided by the time taken for 10 shots and then multiplied by 5 to give this stage the same relative importance as the other two stages. NRA scoring dictates a 7 second wait between shots. Several sighting shots may be taken before shooting for score.
- The **SECOND STAGE** will be shot at the KYL rack at 1020 yards; it is not a time scored event. However shooters should be ready to shoot when it is their turn in sequence and notified by the match director. Five shots for record should be fired in less than 3 minutes. Start with the 12 inch target, after every hit you must shoot the next smallest target. The number of hits will be added to your score. Several sighters may be taken before shooting for score.
- The **THIRD STAGE** is NRA full size turkey silhouettes at 1200 yards; they must be knocked off the rail to be scored. Knock them down, left to right, hit to move on. The number of turkeys (5 max) knocked off the rail will be added to your score. A 5 minute time limit will be imposed. (5 shots only) A two minute sighter period is open for the 3 contestants on the shooting line in the relay, do not shoot turkeys.
- Every contestant will complete stage one before stage 2 begins and everyone will complete stage 2 before stage 3 begins. Relays and shooting order will be drawn before contest begins.
- Four shooters per relay will compete in stage 1 and stage 2. Stage 3 only has enough targets for three shooters in each relay and we will redraw for shooting order in stage 3.

- **Entry fee for this fundraising event will be \$50 per contestant. \$10 of the entry fee per contestant will be paid to MSC. Medals for First, Second and Third place will be awarded!**
- A total of 20 shots for record and a generous amount of sight in shots will be allowed. Come prepared to have fun, bring water, snacks, a good attitude, your favorite rifle and about 40 rounds.
- ***** Example; MODIFIED HIT FACTOR**: 1000-yard target (e-target) if raw score = 75 completed in 150 seconds; $75/150 = .5$, times 5 equals 2.5. If 2 targets hit at KYL rack and 3 turkeys knocked down; $2.5+2+3$ equals **total score** for match of 7.5. Larry Stephey and Stan Snow are the match directors. They will address issues as they arise.
- A safety meeting will be held before the match. Course of fire instructions and an open discussion forum will be held to ensure all contestants understand rules and shooting order before the match begins.
