I. **OPEN THE MEETING AT 6PM**
II. **PLEDGE OF ALLEGIANCE**
III. **CALL TO ORDER**
IV. **OPEN CALL TO MEMBERS**

Stan Snow states the flag should be at half mass due to Presidential Order. Volunteer hours are not being reported. Asking that we ask AZG&F for a computer to put up a kiosk. Vicki explained that Dave and Vicki have been working towards that and we will see what we can do.

Mitch Gerlinger would like to have a two gun match. It will take up a lot of the range. He would like to do this 2027. He would like to know what he needs to do to get the ball rolling. He was advised to put an event sheet together. Hoping for 175 people. Custom targets for the shoot.

Victor Perez as far as the calendar request form how long does it take to get it accepted. What is the process? Vicki states that he can send it to Fred, Farren and Vicki.

Victor asked about meetings for the RSO and was told he just needs to contact Fred and get it set up.

Victor states there are things getting damaged from the roof repair and the stuff needs to be moved out. He would like to have someone come out and help to organize. Jim states use best judgment what needs to be gotten rid of. Will move the good stuff to a better place.

The paint that was gotten needs to be taken back and exchanged for other paint. Victor states he will do this.

Victor states that if people aren't volunteering maybe we should have them pay a certain fee. Also on the LEO contracts we need to have a fee for them having their conex boxes on the range. Farren states the fee for non-volunteers tabled. Dave stated that most clubs you have to put in a certain amount of volunteer hours in order to get a life time membership. States if we do something like that it might solve our volunteer problem.

Victor also brought up about Volunteer RSO's when can we start using them since we are cutting hours of the paid RSO's then it would be good to start having some volunteers helping to watch the range.
