

Minutes of the Mohave Sportsman Club

Meeting of 03/12/2026

I. OPEN THE MEETING AT 6PM

II. PLEDGE OF ALLEGIANCE

III. CALL TO ORDER

Fred Hearing fishing for smiles. May 12 will be special needs and the May 16th. Explained the trophy structure of the event. Filet the fish will be the hardest to have anyone help. 125 fishing kid last year. The flyers and the registration forms will be in the office. Farren asked for an amount that they might need from the club but Fred did not have a good figure. Last year 2000 was contributed from the club last year but they were over budget by 2000. Fred will send the information to Linda to have it put on the website.

IV. OPEN CALL TO MEMBERS

Mitch talked about Mohave Patrol national level shoot. MSC will get \$5000 plus a possible ¼ of net. Mitch would like us to look into what would be acceptable for dry camping. Dry camping will be tabled motion by Farren and Mitch seconds for more info. Mitch would like to talk to the Night vision shoot. Same schedule as Practical Pistol.

| |
|-----------------------|
| RANGE REPORT: |
| Given by Victor Perez |
| |
| |

XI. OLD BUSINESS BEFORE THE BOARD OF DIRECTORS:

| |
|---|
| 1) Mohave Resident only membership - withdrawn |
| 2) Purchasing of clays- Vicki states we need 5 pallets of orange and 1 pallet of black. |

XII. NEW BUSINESS BEFORE THE BOARD OF DIRECTORS:

| |
|--|
| 1) Update on Security cameras update – Dave Henry - 8 out of the original 9 cameras for phase 1 and 2 have been installed. Went over the budget by 110.00. Need more conduit for bay 7. Once the conduit is up then we will have 9 cameras up. Larry Stephey said he has a machine to bring out for the finding of the electrical. Trenching from the range office to bay 9. Repeating the process for bay 10. Bay 7 will tell us what we need for 10. The incident that took place showed the necessity for the cameras. No cameras on the club house do to not having a need for security. Streaming for the meetings would be needing a good camera, a good laptop, and a good microphone. Working with the tech from havasu that will help with the wireless systems. Craig states he can do the trenching. Need cameras for 8, 9 and 10. It would be 110.00 per cameras. The amount will be approximately 1200.00. Motion for funds was made by Farren. Second by Mitch all in favor. |
| 2) Don Martin was talking about dirt being donated. There is a county pit that they have gotten lots of dirt out of that pit in the past. He will check into the fact of what can be gotten. He will contact the county road department and he will check into what can be given and what can be given from the county as he has heard they can not give away anything anymore. He will take it on and contact people to find what can be done. |
| 3) Shortening of summer hours- Jim Merrit – Talked to Victor and Clay as they are concerned about the |

number of people after 3 pm. Possible closure at 3 pm as there is not enough coming in. Victor states maybe taking the hours from 7 to 7 to 7 to 3. Farren makes a motion to table this discussion until there can be more information to make a more comprehensive decision. Farren makes motion to table Mitch seconds

4) Jim brought up that the match fee is 20 dollars. He would like to see 20 dollars non member fees and them 20 dollar for the day fee. Mitch states there should be no change as it has already been voted on and put into place. Discussion ended.

5) Mitch stated we had not gone over the lifetime member proposal. Gave the options of Merit based vs. the revenue raising . Farren makes motion to have the Lifetime membership killed entirely. No second was brought up.

XIII. CLOSE BOARD OF DIRECTORS MEETING
